

### ::: OFC-IM-3 Optical Dome Closure :::

### ::: Features :::

- Manufactured with engineering plastic for external used
- No loose parts - ease of installation
- Double strain relief for cables
- Mountable in manhole, on wall and aerial
- No special training and tooling required
- Various size available
- Pressurized valve for flash test

Litech Optical Inline Closures is designed for used in external plant environment. The waterproof and rugged construction makes these closure perfect for underground, aerial and pedestal applications. The closures features full mechanical systems for easy assembly and easy to re-enter. OFC-IM-3A is designed to accommodate up to 48 fibers where as OFC-IM-3B is designed to accommodate up to 192 fibers.

### ::: Specification :::

- a) Material : Reinforced PP  
 b) Metal Part : Stainless Steel or Aluminium Alloy  
 c) Dimension

Specification (mm)	OFC-IM-3A	OFC-IM-3B
Max Cable Diameter	25mm	25mm
Min Cable Diameter	10mm	10mm
Closure Length	583mm	660mm
Closure Width	186mm	222mm
Closure Height	116mm	197mm
Useable Length	387.5mm	406mm
Useable Width	126mm	140mm
Useable Height	76mm	89mm

Part Number	Description
LTOC-OFC-IM3A-12	Fiber Closure Inline OFC-IM3A 12 Fiber
LTOC-OFC-IM3A-24	Fiber Closure Inline OFC-IM3A 24 Fiber
LTOC-OFC-IM3A-36	Fiber Closure Inline OFC-IM3A 36 Fiber
LTOC-OFC-IM3A-48	Fiber Closure Inline OFC-IM3A 48 Fiber
LTOC-OFC-IM3B-96	Fiber Closure Inline OFC-IM3B 96 Fiber
LTOC-OFC-IM3B-120	Fiber Closure Inline OFC-IM3B 120 Fiber
LTOC-OFC-IM3B-144	Fiber Closure Inline OFC-IM3B 144 Fiber
LTOC-OFC-IM3B-168	Fiber Closure Inline OFC-IM3B 168 Fiber
LTOC-OFC-IM3B-192	Fiber Closure Inline OFC-IM3B 192 Fiber

### ::: Inline Closure Re-entry Kit :::

### ::: Features :::

- Excellent sealing to metal, rubber and cable jacket materials
- Silent chemical resistance
- Moldable and conformable for irregular surface
- Excellent weather and moisture protection for used in outdoor

### ::: Specification :::

- |                  |          |
|------------------|----------|
| • Sealing Washer | 8 pcs    |
| • Sealing Tape   | 2 rolls  |
| • Sealing Cord   | 2 strips |
| • Hose Clamp     | 2 pcs    |
| • Dummy Plug     | 2 pcs    |
| • Cable Tie      | 8 pcs    |
